

TITLE VERIFICATION POLICY BRIEF

DLC Guidelines & Operational Bottleneck Directives

1. DISTRICT LEVEL COMMITTEE (DLC) MANDATE

The District Level Committee (DLC), chaired by the District Collector, holds final statutory authority to approve forest rights and issue Record of Rights (RoR) entries under Section 6(5) of the Act.

2. MANDATORY STATUTORY CHECKLIST

Clearance Review: Verify SDLC recommendations and joint boundary inspection reports.

Departmental Concurrence: Coordinate with Forest and Revenue departments to ensure zero overlap with existing private leases.

Joint Title Issuance: Ensure titles are issued jointly in the name of both spouses where applicable and mutated in revenue records within 30 days.

3. MACHINE LEARNING RISK ANOMALY TRACKING

VanDrishti ML models detect operational drop-offs, rejection spikes, and backlog growth to ensure transparent district decision-making.
